EDUCATION

Bachelor of Science (B.Sc), Information and Communication Technology

BAUET

2016 - 2020

INTERNSHIPS

Junior Web Developer

Smart Soft, Dhaka

Feb 2021 - Aug 2022

1. Built responsive and user-friendly web pages using HTML, CSS, React and JavaScript.
2. Conducted bug fixing and testing to ensure optimal performance of web applications.

TRAININGS

Complete Web Development

Programming Hero, Online

Dec 2022 - Present

I have almost completed the course, it started with the fundamentals of HTML, CSS, and JavaScript, allowing me to create dynamic and interactive web pages. I explored advanced topics such as responsive design, front-end frameworks like React, back-end development with Node.js, and database management using MongoDB. Additionally, i gained expertise in version control, APIs, authentication, and deployment, ensuring you are well-versed in modern web development practices.

PROJECTS

Toy Emporium

May 2023 - May 2023

https://toy-emporium-3dc92.web.app/

Customize and design unique toys according to your child's preferences.
